

## Application No. 888: Halloween magnets

Author: supermagnete, Uster, Switzerland

### A simple craft idea for a spooky good time

Each year on the 31st of October, Halloween is celebrated. Naturally, we have an appropriate craft tutorial for this occasion too. We will show you how you can make your own spooky Halloween magnets.

### Materials needed

- Smooth pebbles
- Acrylic paint
- Paintbrushes
- A strong adhesive such as UHU MAX REPAIR ([www.supermagnete.fr/eng/WS-ADH-01](http://www.supermagnete.fr/eng/WS-ADH-01))
- Disc magnets ([www.supermagnete.fr/eng/group/discs](http://www.supermagnete.fr/eng/group/discs)), we used magnets type S-08-03-N ([www.supermagnete.fr/eng/S-08-03-N](http://www.supermagnete.fr/eng/S-08-03-N))

### 1. Paint the pebbles

First, use a suitable acrylic paint and a wide paintbrush to add a base coat to your pebbles. If you want to create a pumpkin, for example, paint the stone orange. Ghost magnets can be painted white, scary cats black. There are virtually no limits to your imagination.

### 2. Paint the details

Once the base coat is dry, Halloween motifs can be added with a fine brush. We decided on pumpkin faces, ghosts, black cats, mummies and bats.

### 3. Glue on the magnets

Finally, use the UHU MAX REPAIR ([www.supermagnete.fr/eng/WS-ADH-01](http://www.supermagnete.fr/eng/WS-ADH-01)) adhesive to attach the disc magnets ([www.supermagnete.fr/eng/group/discs](http://www.supermagnete.fr/eng/group/discs)) to the back of the pebbles and let them dry thoroughly. Make sure the paint on the front is completely dry before turning them over to avoid smudging.

#### Tip:

For the colours to last longer, they can be painted over with a clear lacquer.

And with that, your frighteningly beautiful Halloween magnets are complete. You can find more Halloween arts and craft ideas under the project "Halloween decoration" ([www.supermagnete.fr/eng/project828](http://www.supermagnete.fr/eng/project828)). There, we show you how to create scary Halloween characters from colourful magnetic sheets.
